You can work on your own box- be carefull not to change someelse his/her box

We could make a grit for the library Kevin is in A3

Do not forget to SAVE

Corner Right light green button

Inbal:

Yes could assemble everything on your own POST page- but only the visible things- because this post will show up on your people page

The ARC hive – you can make a secret hidden post or page whatever you want an link to it with a secret link here in the archive
